Reports

Principal's Report

New Renovations for next year. We were selected by the district and FNR. They have made the decision to make the changes to our school. The plan is to upgrade the upper wing. Interior walls will be taken down and the classroom will be reconstructed into learning Pods. Asked for our input in the restriction of the space. Timeline is that we should start in the summer and the construction should be done by fall. Workshops for the teachers will be the week of the holiday shop to work with the developers to learn how to utilize this new space to its fullest.

Treasurer's Report

Currently, we have a balance of \$6,846.64 in the account.

The following are totals from fundraisers: trunk or treat \$42.15, chocolate bar fundraiser \$240.00, pie fundraiser \$928.02, and after school clubs session one \$2124.00. There may be more receipts for reimbursements for supplies from the after school clubs. Also there are two returned checks from the pie fundraisers still pending.

Old Business

Fundraising, and color run in the spring before the color run. February? Alvin waited for an extra 45 mins for the last family to pick up. Another parent suggested that we have a pick-up time later than 4pm. Also suggested that there should be something sent out to the parents explaining the sensitivity of the baked goods.

New Business

Color Run possibly with Dutemple and Waterman

Session 2 will start after the holidays.

Pop up gingerbread houses- December

Family Dance April 26
